PRINCIPLES

01 **Private only.**
Exclusive use, every booking. Whole property, or not at all.

02 **Space over saturation.**
Copy and layout breathe. Let the mountains speak.

03 **Food-led.**
Dining is the centre of the stay. Private chef, long dinners.

04 **Basecamp, not hotel.**
Guests return to warmth, not a front desk.

05 **Year-round.**
Winter and summer carry equal weight. Never seasonal.

06 **Calm premium.**
Understated, editorial, confident. Quality is the claim.
